Many Chinese believe in Fengshui while Westerners find it mysterious. Actually, Fengshui is a way to observe and evaluate if the living environment is good for human beings. The early so-called Fengshui is a science. Gradually, it became superstitious, complicated, and mysterious. According to Fengshui masters, if the residence is good, the household will be safe and prosperous. If the residence is bad, it will be haunted. Everything will go wrong and bad luck will fall on the offspring. Fengshui refers to the residence for the living as well as the burial ground for the dead. If ancestors are buried in a site of good Fengshui, the offspring will become prosperous. Therefore, when choosing the burial site for parents, Chinese will invite Fengshui masters to double check if the burial site has good Fengshui. In the past, Chinese people would rather believe in Fengshui than ignore it. However, in the 21st century, after the Taiwan government encouraged sea-burial or plant-burial, Fengshui has become less important to the people who will follow the policy.

41. What does Fengshui refer to?

- (A) burial ground for the dead (B) residence for the living (C) both of the two

42. What do Westerners think of Fengshui?

- (A) funny (B) mysterious (C) interesting (D) unbelievable

43. What did the early Fengshui evaluate?

- (A) household (B) offspring (C) family (D) living environment

44. what's the attitude of the Chinese people about Fengshui in the past?

- (A) ignore it (B) believe it (C) despise it (D) hate it

45. Many Taiwanese have changed the attitude on Fengshui since the Taiwan government encouraged

- (A) plant-burial (B) sea-burial (C) both of the two (D) neither of the two

B.

Football is one of the most popular sports in the world. Now it is more popular in Europe than in other areas, but the origin of football is from China.

The earliest form of football 2000 years ago in China was called "Cuju". In the beginning, it was a military training, and gradually, it was transformed into a spectacle of amusement for the common public. According to a Chinese military manual written during the Han Dynasty, Cuju involves a ball, a goal, and skillful techniques of kicking, resembling football nowadays. When and how it was exported from China was unknown. In the Tang Dynasty (618-907A.D.) and the Sung Dynasty (960-1276 A.D.), Cuju was a popular game. After the Sung Dynasty, it was gradually transformed into an acrobatic feat for entertaining people instead of a sport. As time goes by, football game in Europe, America, Australia, and Africa is more popular than in Asia. Nevertheless, in recent years, Asian countries have devoted great effort to promote football. Hopefully, football will become equally popular all over the world.
